The same of the borse, and give him a fair start for home! And the condition met, he start for home in the condition met. right side of the horse, and give him a fair start for home! And the condition met, be was sent or his journey at a speed which was complimenary to the going qualities of his familias, finite district and all kinds of Trimmings. Goods of every description is the line frequently add to the variety, and all goods are suite at a small advance on fasters prices.

The proprietor especially invites throughout the shortest possible horse time.

Sudden Dash -The sudden heavy dash of rain, this morning, took every body by surprise. Pedestrians and shop-keepers were especially "caught in a snap" by the shower.

The former made hurried and confused retreat into any shelter which offered, while the last named made a rush to secure the goods and wares which were getting a damaging soaking at their front doors. Who expected a regular April shower in March? Not us, aurely.

Spring .- According to Dick-and indeed, all the Philosophers of the Seasons of whom we have any knowledge-Spring is formally inaugurated on the 21st of March; and to this inexorable decree of the elements we are pos sibly indebted for the general turn of weather last Saturday afternoon, and the alternate pleasant bours since. We may have a few snapping cold days yet, but the reign of Winter is over.

"Spring is here."

Spreading.—We called at a gentleman's residence, yesterday afternoon, and found him superintending the widening of the walks in his garden. He said the femenine portion of his family complained that they were so narrow they could not pass through them when the flowers were in bloom without brushing them off with their dresses! It won't answer to have many six-feet walks in

Medical -We understand that the Gipsy Doctor has taken Rooms at the Montgomery House. It is affirmed that he has performed some most remarkable cures, and his delineations in Second Sight and Clairvoyance have astonished all who have visited him. Call and see him. 24.
